### **Tenova LOI Italimpianti successfully commissioned and started-up one CSP Roller hearth furnace- Line A -for Bhushan Power & Steel Ltd, Orissa India.**

**Genoa, May 2008** - Tenova LOI Italimpianti successfully commissioned the Roller Hearth Furnace Line A supplied for the CSP Bhushan Power & Steel Ltd, Orissa India. The Roller Hearth Furnace is complete with Swivel system for the future installation of the Line B in accordance with the expansion program of the Bhushan plant.

The top and bottom fired furnace, able to handle a wide range of steel quality, is equipped with the most recent and innovative technical solutions for this kind of plants, thus warranting top performances.

Beyond this furnace - which was the first LOI Italimpianti CSP reference in India - LOI Italimpianti can also boast the roller hearth furnace for the line B in Bhushan Power & Steel and two roller hearth furnaces at new CSP mill for Essar Steel.

Tenova LOI ITALIMPIANTI is a leading supplier of industrial furnaces and services for the metal industry. Tenova designs and supplies advanced technologies, products and services for the metal and mining industries.
