### **Tenova LOI Italimpianti wins a new order in Russia for three walking beam furnaces.**

October 30, 2007 Just after the order received from NKMK in Novokuznetsk for a 250 t/h walking beam furnace, anew prestigious order has been awarded to LOI Italimpianti by Magnitogorsk (MMK) within their overall revamping of the existing hot strip mill.

LOI Italimpianti order includes the engineering, whole supply, training, supervision to erection and commissioning relevant to three new walking beam furnaces (370 tph capacity each).

The start up is scheduled at the beginning of 2010.

This order confirms the strong presence of Tenova LOI Italimpianti in the Russian market serving important and prestigious customers.

Tenova LOI ITALIMPIANTI is a leading supplier of industrial furnaces and services for the metal industry.
